

GENERAL INSTRUCTIONS

1. The payments will be sent through DD payable in favour of Principal, Anand Pharmacy College at Anand.
2. No sample will be analyzed without advance payment.
3. The analysis charge once paid is not refundable but can be adjusted against future analysis within one year.
4. The charges for soft copy will be Rs. 50.00 per sample
5. Please add postage charges of Rs 100 if delivered by courier.
6. Mailing Charges Rs. 30.00 minimum will be charged.
7. Samples and payment should be sent preferably in the same cover. Separate sample should be sent for different analysis.
8. The sample name/batch no./Required analysis should be clearly mentioned on sample/requisition form.
9. In order to expedite your analytical work, please provide the information about any specific sample preparation method required, chemicals to be used, method of analysis, range of instruments to be used, any literature or your past analytical experience along with the samples.
10. Please note that interpretation of the result, conclusion based on result, certificate, recommendation etc. will not be provided with the routine analysis.
11. Based on the type of analytical work, intellectual inputs for interpretation of data or development of analytical methods can be provided. Sample preparation and method development will be charged extra, varies from material to material and method to method depending on the sample, if required so. Charges will be quoted on a case to case basis.
12. The sample left out after analysis will be destroyed.
13. Applicants/Clients are not encouraged to remain present during the analysis, unless the nature of the analysis is such that client's inputs are required during carrying out of the analysis. In such cases a prior appointment must be fixed with the concerned person.
14. Unstable and explosive compounds are not accepted for analysis.
15. It is also desirable that analysis work done using Anand Pharmacy College Facilities should be acknowledged in the publication/ thesis.
