

ANAND PHARMACY COLLEGE, ANAND

Organizes

Short Term Training Program

On

IR and MASS Spectrometry

Four days Short Term Training Program on “IR and MASS Spectrometry” was organized by Anand Pharmacy College, Anand, Gujarat run by Shri Ramkrishna Seva Mandal between 8th December to 11th December 2016. Dr. Tejal R. Gandhi- Principal, Anand Pharmacy College, was the Convener and Dr. Kalpana G. Patel – Professor & Head; Department of Quality Assurance was the Coordinator of the STTP. For the four days, interactive lectures were delivered by the eminent resource person, Dr. Satish Y. Gabhe, Professor of Poona College of Pharmacy, Pune. The STTP enabled each of the participants to discuss, share and clarify various queries on theory and interpretation of IR and MASS spectra as well as combined spectra along with NMR in depth. The STTP was attended by 44 participants (Faculty members and PG students). The feedback obtained from the participant after the STTP was also motivating and affirmative.
