**Student Start-up and Innovation Center** of Anand Pharmacy College, Anand had organized the interactive session on “Transformation of Innovative ideas to Patent” sponsored by SSIP, Government of Gujarat on 25<sup>th</sup> September, 2018. The event was coordinated by Dr. Vaishali Thakkar and Ms. Ruby Christian and; SSIP Co-ordinator, Dr. Purvi Shah.

Talk was delivered by Mr. Sanjaykumar Patel, Patent Attorney & Managing Partner Infinvent IP, Ahmedabad. The session was organised to serve as the basis for the budding innovators, guiding them regarding the patenting process and how the ideas should be presented so that it can be patented.

Session was actively attended by 51 participants from M. Pharm, B. Pharm and faculties of Anand Pharmacy College, Anand. The session included in-depth discussion on the practical aspect of filing patent. The queries pertaining to software patent filing in India and other countries were addressed during the session. The key highlight of the session was the interaction of the participants with the speaker regarding their queries pertaining to the projects and its patentability

aspect which was thoroughly addressed. Thus, overall the session was very fruitful for the participants.
