

World Environment Day celebration: Connecting people to Nature

As a part of World Environment Day celebration, we at Anand Pharmacy College donated 90 plants. The plants donated were of medicinal importance, like Madhunasini, Tulsi, Bahudo, Ajwain, Ardushi etc. Arrangement in the SRKSM campus were made and with joy all the plants were donated. Also, several competitions were organised on June 5th, 2017, like essay writing and E- poster making competitions on the topics like Nature and technology, pollution, water crisis, You and planet, save planet and Nature culprit- Your Voice was organised, where Mital Patel (M. Pharm) and Saloni Dalwadi (Final Year B.Pharm) were the winners in essay writing and E- poster making competition, respectively.
