

6.2.1

The institutional Strategic/ perspective plan is effectively deployed

6.2.1 The institutional Strategic/ perspective plan is effectively deployed

APC functions under the aegis of SRKSM , seeks approval from the former for laying out any new plans and strategies pertaining to academic expansion as well as strengthening of the existing teaching departments and centers. We ensure that the growth and development of the Institute resonates with the vision and mission of the Institute.

Our core objectives are quality education, multi-faceted development of the students, innovation and research, life long learning, industry institute interaction, employability and extension activities.

During last five years following proposals were implemented:

Opening of new course:

PharmD course was introduced from the year 2019-20 after seeking approval from PCI and AICTE. Necessary infrastructure for the same was made available. New separate building for the same is constructed.

M.Pharm (Pharmaceutical regulatory affairs) was introduced from the year 2020-21 after PCI and AICTE approval.

Digitisation in administration and IT functions:

New teaching, learning and evaluation methodologies adopted during pandemic: online mode of teaching, virtual labs, MCQ based evaluation were adopted.

Double-blind internal examination pattern.

Development of new infrastructure for existing teaching departments and renovation of existing ones: Development of new building, SRKSM office, hostels, guest house, Admin office, Machine room, Fab Lab were created /renovated. All the buildings of the Institute within the campus are connected with Wi-Fi.

Digitisation of library resources:

Soul software is used. E-journals, QR coding of question papers, database of lecture powerpoint presentations and study material. Students and faculties are benefitted at large.

Strengthening of student cell activities:

We have undertaken a number of initiatives to explore and develop hidden talents of students by holding creative workshops and various club activities which is an integral part of learning process. Philanthropic activities were undertaken through NSS during the pandemic situations and help was extended to COVID affected families by free breakfast and tiffin services. Multifaceted development of students through Finishing school.

Strengthening of HR policies for non-academic staff and junior academic staff in terms of detailed recruitment policy and pay scale revisions, promotion policies for senior academic staff.

Introduction of value-added online certificate courses:

“QbD workshops”, “3D printing” and “Pharmacovigilance” launched to bring teaching and learning process on par with international standards.

Encouraging faculties for higher studies like PhD.

Establishing collaboration with academia, pharmaceutical industries, research institutes, hospital, drug stores and skill partners through MoU.

Applying for funds for furtherance of the strategic and perspective plans.

In order to strengthen research, **several sophisticated instruments were purchased.**

Applied for NBA, NAAC, GSIRF, NIRF ranking and received 4 star ranking in GSIRF in 2021, NBA accreditation since 2014, NAAC accreditation since 2010, NIRF results are awaited.

Strength of students have grown significantly which reflects the faith and support people across Gujarat and outside Gujarat have for the Institute.

Good placement

6.2.1 The institutional Strategic/ perspective plan is effectively deployed

The Institutional Governance and Policies are well defined, implemented and being operational. The following link contains the related document.
