Pharmaceutical Regulatory Affairs

Hands on Training on HPTLC & HPLC

ABOUT APC

Anand Pharmacy College established in 1998, affiliated to Gujarat Technological University is a leading institute in India. The institute is re-accredited by NAAC-UGC in third cycle with "A+" Grade, CGPA 3.38 and by NBA-AICTE for B. Pharm course (2014-2022). It also has Gujarat Technological University approved Ph.D. research center in Pharmaceutics specialization. Anand Pharmacy College has a well-furnished infrastructure which includes spacious, ventilated and multimedia equipped classrooms, state-of-the art laboratories with sophisticated modern and advanced instruments, fully automated library, Central computer laboratory with more than 100 computers & 100 mbps Internet speed. The institute has centers of Cell line study, Cellular and Molecular Pharmacology, NDDS and Bioanalytical. The institute has MoU with Shree Krishna Hospital (720 bed hospital) to nurture and develop the skills of students in the field of Pharmacy Practice. It also has an Adverse Drug Reactions Monitoring center approved by the Pharmacovigilance program of India, Indian Pharmaceutical Commission. Institute has full-fledged animal house facility and IAEC is registered under CCSEA, Government of India. A medicinal garden houses various medicinal plant species and is well maintained in the institutional premises. The innovation ecosystem is strengthened under established Preincubation center, which lead to successful proof of concepts, granted patents and quality publications. The institute continuously focuses on providing quality pharmacy education, preparing students for global leadership roles.
