

### **VISION**

To become the foremost pharmacy college in India, through superior delivery of the pharmacy education and to foster pharmaceutical research programmes through creation of a scientific research community pursuing emerging synthesis in science and utilizing leading edge technologies for the greater benefit of mankind.

### **MISSION**

- ◆ To facilitate educational advancement for its students through imbibing a combination of advanced teaching methods and evolving industry and health care partnership programme.
- ◆ To focus on multi-pronged development of students and to prepare them for becoming future leaders in the global community.
- ◆ To promote and aid pharmaceutical research programme through instillation of state-of-the art scientific, computing and visualization equipment and research facilities.
- ◆ To encourage development and interaction of multi- disciplinary research activities across the campus, through creation of inter-disciplinary partnership, and encouraging intensive interactions between research and industry.

### **PROGRAMME EDUCATION OBJECTIVES (PEO)**

**PEO1** To produce quality pharmacist with highest professional and ethical standards, communication skills, team work in their profession and adapt to current trends by engaging in life-long learning

**PEO2** To offer personalized teaching and counseling to students and facilitate multi-faceted development of the students.

**PEO3** To promote innovative educational endeavors

**PEO4** To update knowledge through organizing and attending various seminars, workshops, training and conferences.

**PEO5** To encourage industry academic interaction.

**PEO6** To provide state of art services and consultancy to pharmaceutical industry, community and student researchers outside the Institute.

**PEO7** To adopt pharmaceutical research in the best benefit of mankind.
