VISION

To become the foremost pharmacy college in India, through superior delivery of the pharmacy education and to foster pharmaceutical research programmes through creation of a scientific research community pursuing emerging synthesis in science and utilizing leading edge technologies for the greater benefit of mankind.

MISSION

- To facilitate educational advancement for its students through imbibing a combination of advanced teaching methods and evolving industry and health care partnership programme.
- To focus on multi-pronged development of students and to prepare them for becoming future leaders in the global community.
- To promote and aid pharmaceutical research programme through instillation of state-of-the art scientific, computing and visualization equipment and research facilities.
- To encourage development and interaction of multi- disciplinary research activities across the campus, through creation of inter-disciplinary partnership, and encouraging intensive interactions between research and industry.

PROGRAMME EDUCATION OBJECTIVES (PEO)

PEO1 To produce quality pharmacist with highest professional and ethical standards, communication skills, team work in their profession and adapt to current trends by engaging in life-long learning

PEO2 To offer personalized teaching and counseling to students and facilitate multi-faceted development of the students.

PEO3 To promote innovative educational endeavors

PEO4 To update knowledge through organizing and attending various seminars, workshops, training and conferences.

PEO5 To encourage industry academic interaction.

PEO6 To provide state of art services and consultancy to pharmaceutical industry, community and student researchers outside the Institute.

PEO7 To adopt pharmaceutical research in the best benefit of mankind.
